## **The Unseen #9 - Version 1**

To avoid this, make sure you keep careful records on all of your outstanding student loans, and notify lenders when you. Straw-coloured were the four oxen That carried her on their cart.

## **Faithfully Yours**

Against such a single-introduction hypothesis, the origin of Spanish teosinte could also be complex, resembling the case of weedy rice in the USA, where some populations seem to have arisen via hybridization between cultivated rice and weedy rice 35whereas other seem to have evolved directly from cultivated rice 5The risk of further hybridization events between commercial maize and Spanish teosinte is worth considering in light of the possibility of further development of even more invasive weed than the population currently found in Northern Spain.
