It is an exploration of the sources of Grecian history; an investigation of facts previously unknown or misrepresented; a labour performed once for all; and the book is a storehouse from which future writers may draw their materials, without repeating the same toilsome and operose researches. Best friends Noodle and Zeek are among the first in line when a new store, Danger Guy, opens in their local mall. We might call them glass-half-full progressives; in earlier times we would have known them as Whigs.
