A Brief Rant Without taking anything away from personal responsibility which you all know I think is vital to successI'd like to suggest that both Eker and Smith are too quick to dismiss systemic causes of poverty. He might as well have tried to turn himself into a rock or a tree, and after a time he had concluded that the magic just didn't work that way. It felt more like a child having a tantrum, not a man in love. Language: Thermodynamics and Chemistry 2ed-3 Devoe.
