The Brain: An Introduction to Functional Neuroanatomy

Elisabeth assures him, by her gestures, that she thanks him from her heart for his faithful affection, but that her path leads to heaven, where she has a lofty duty to fulfil; he must therefore let her go alone and must not follow her. She ascends half-way up the height and gradually disappears along the footpath leading to the Wartburg, after her form has long been visible in the distance. Wolfram, who has followed Elisabeth with his eyes, seats himself down and begins to play upon his harp.
